@pfefferle on WordPress.org and [Slack](#)

WordPress Origin Story

- In 2002 I installed my first blog using the WordPress predecessor b2.
- 2004 I switched to WordPress.
- I worked on my first theme in 2006 and my first plugin in 2007.
- I uploaded a first theme (SemPress) to WordPress.org in 2011.
- Two years later, SemPress was added to the WordPress.com theme directory by Automattic.
- 2015 was my first "Core Contribution" (OEmbed).
- I held my first WordCamp talk in 2016.
- I held my first WordPress Meetup talk in 2019.
