

A photograph of a vineyard at sunset. The sun is low on the horizon, casting a warm glow and long shadows across the rows of grapevines. The sky is filled with wispy clouds. The text 'indieweb.org' is written in red in the upper right corner.

The diagram illustrates ActivityPub as a central hub. It features a central WordPress logo (W) with arrows pointing to and from it. Surrounding the central W are several other logos: a red and orange 'W' logo, a blue 'w' logo, a blue 'm' logo, a colorful circular logo, a blue and white bird logo, and a black and orange triangle logo. Arrows connect these logos to the central W and to each other, forming a network.
